

## Connecting to NHS Wi-Fi

1. Go to your Phones settings
2. Select WiFi (ensure it is turned on)
3. The following SSID should be in the choose a network list;

NHS Wi-Fi

4. Click on it to connect
5. A login in Page with the following registration page will show (you may need to click on Sign In on an Android Device)

A screenshot of a mobile browser showing the NHS Wi-Fi registration page. The page has a blue header with the NHS logo and the text 'Register for free NHS Wi-Fi'. Below the header are three input fields for 'Name', 'Surname', and 'Email'. A 'Log In' button is positioned below the fields. A disclaimer states: 'By clicking 'Log In', you agree to the terms and conditions. The terms and conditions can be viewed here'. At the bottom, there is a blue footer with the NHS logo and links for 'NHS UK', 'MYNHS', and 'CONTACT US'.

6. Enter the required details (Name, Surname & Email)
7. Once entered click Log In
8. The following page will display and you are connected to the free WiFi
